

Dear Parents & Carers

Sublime Basketball and The Cedars Academy have partnered up to offer basketball coaching sessions as an option for after school activities. Sublime Basketball will be running after school basketball clubs for boys and girls (Years 7, 8 & 9) at The Cedars Academy on Mondays and Fridays. The aim of the after school basketball clubs is to provide the opportunity for those who have an interest in sport and especially in the field of basketball.

We welcome every ability, from beginners to those who might already have been involved in the game of basketball for quite some time. Basketball is a perfect sport for children to get involved with, have fun, build new friendships and grow their confidence. Sublime Basketball is providing local basketball sessions to help those who have an interest in basketball and would love to play it on a more regular basis and develop their skill set. All basketball sessions are modified and adapted to suit the participant's age, skill level and ability.

If your child would like to get involved, please head to the Sublime Basketball website at www.sublimebasketball.com where you can find more information. If you would like to sign up right away, please follow this link <http://sublimebasketball.com/sublime-basketball-after-school-clubs/> where you will be able to express your interest by Signing Up via our online form.

Please note, due to facility limitations, the number of participants for after school basketball clubs will be limited, with the priority given to the first to have expressed their interest via the Sign Up Form on the Sublime Basketball website.

Kind Regards

M D Janiska
Head Coach
